- Advertiser

If you've been thinking you don't have many options just because some things are hard at school you are obviously MISINFORMED!

D

You are strong in something called Dynamic Reasoning. That means you have a talent for using your ability to create a story and your ability to make connections to accurately predict what others might not see.

This is valuable for intelligently solving a puzzle about the future or solving a past puzzle even when some of the key pieces of the puzzle are missing.

This would make you a brilliant:

- Entrepreneur
- Chief executive
- Investor
- Trader
- Venture capitalist
- Small business owner
- Business consultant
- Logistics specialist
- Accountant
- Economist (especially big picture economics)
- Specialist doctor (immunology, rheumatology, endocrinology, oncology)
- Farmer, rancher
- Conservationist
